Federal and Commercial Websites:

- **Insurance Information Institute** (<http://www.iii.org/>): The mission of the Insurance Information Institute (I.I.I.) is to improve public understanding of insurance -- what it does and how it works. For more than 40 years, the I.I.I. has provided definitive insurance information. Today, the I.I.I. is recognized by the media, governments, regulatory organizations, universities and the public as a primary source of information, analysis and referral concerning insurance.
- **National Association of Insurance Commissioners** (<http://www.naic.org/>): The National Association of Insurance Commissioners (NAIC) is the organization of insurance regulators from the 50 states, the District of Columbia and the five U.S. territories. The NAIC provides a forum for the development of uniform policy when uniformity is appropriate. A state regulator's primary responsibility is to protect the interests of insurance consumers, and the NAIC helps regulators fulfill that obligation. That assistance is related to the regulators' shared objectives of financial and market conduct regulation.
- **American Insurance Association** (<http://www.aiadc.org/aiapub/>): The American Insurance Association (AIA) is the leading property-casualty insurance trade organization, representing approximately 300 insurers that write more than \$117 billion in premiums each year. AIA member companies offer all types of property - casualty insurance, including personal and commercial auto insurance, commercial property and liability coverage for small businesses, workers' compensation, homeowners' insurance, medical malpractice coverage, and product liability insurance.
